Help and information – continued

What do you mean by Gross income?

Gross income is your income or incomes before any deductions that may be taken off for income tax purposes, for example income form your pension (social welfare or private), your employment, your savings or investments or rental of property or land or any other income. Rental income is the rent you get less necessary spending associated with the rental of a property or land such as insurance.

Will my savings and or investments be taken into account when assessing my income for Medical Card or GP Visit Card eligibility?

We will not take into account savings or investments of amounts up to €36,000 for a single person and up to €72,000 for a couple when we are assessing your income. We will not take into account the amount of any compensation or redress award you may have received from specific state sponsored compensation or redress payments or any interest earned on the investment of this payment regardless of the amount.

For information on the specific compensation or redress awards covered by this section, please see www.medicalcard.ie or phone Callsave 1890 252 919.

What if I am not yet 70 but my spouse or partner is 70 years or older?

So long as **one** of you is aged 70 or older, you will **both** qualify for a **Medical Card** if your combined gross income is €1,200 or less a week. If one of you is aged 70 or older, you will both qualify for a **GP Visit Card** if your combined gross income is over €1,200 but not greater than €1,400 a week.

If I qualify for a Medical Card or GP Visit Card, does it cover my family too?

If your family income falls within the qualifying income limits, the card will cover you, your spouse or partner, and your children **under 16 years of age**.

If your children are aged 16 to 25 and are financially dependent on you, they will also get a card. They must fill out and send to us their own application form to receive a card.

What if my gross household income is greater than the qualifying income ranges for this scheme, as described at the end of page 1?

If you know your gross household income is more than the limits to qualify for a Medical Card or GP Visit Card under this scheme, you and your family dependants might be eligible to a card under a different scheme called the General Medical Card Scheme.

For more information on qualifying for a card under the **General Medical Card Scheme** phone **Callsave 1890 252 919** or see our website **www.medicalcard.ie**.

If you want to apply to the **General Medical Card Scheme**, you need to complete a form called a **MC1 Form**. You can get this form from your **Local Health Office** or download it from **www.medicalcard.ie.**
